Arrears of Annual Maintenance charges of Dodballapur Water Works.

Sir

With reference to your letter No L 6752/M1 127-40 dated 9th January 1943 on the above subject I have the honour to state that the Dodballapur Municipal Council have so far paid only Rs 1,000/- towards the instalment of Rs 2,000/- in liquidation of the arrears, so that the balance towards arrears due by the Municipality is Rs 10.339 5 10 The Deputy Commissioner Bangalore District in his letter No M6 6140/41-42 dated 2nd March 1943 intimates that the Municipality would adjust the balance of Rs 1,000/- towards the instalment, before the end of the current official year

As regards the current demand, the balance as at the end of January 1943 is Rs 5,194-14-11 and against this a sum of Rs 200/- has been paid by the Municipality in March 1943 Due to the small cash balance at the credit of the Municipality the Deputy Commissioner states the current arrears could not be adjusted early He is this day addressed in the matter intimating that the current dues will have tobe adjusted in the manner prescribed in Government Order No C 9090-9102/Mu 120-42-179 dated 9 3-43 and that if the Municipality is unable to pay up the current arrears, sanction of Government should be sought for the payment of the current arrears also in instalments

A copy of this letter is this day sent to the Deputy Commissioner, Bangalore District, for necessary action

Copies of letters of the Deputy Commissioner, Bangalore District and the Sanitary Engineer on the subject are enclosed
